### **In re Shimano Crankset Litigation Claim Form**

- A settlement has been reached in a class action lawsuit against Shimano North America Bicycle, Inc. and Shimano North America Holding, Inc. (together, “Shimano”), and Specialized Bicycle Components, Inc., Trek Bicycle Corporation, and Giant Bicycle, Inc. (collectively, “Defendants”). In September 2023, Shimano voluntarily recalled Shimano Hollowtech II cranksets in the United States that had been manufactured before July 2019 (the “Voluntary Recall”). Plaintiffs alleged breaches of warranties, and sought relief in connection with the advertising and marketing of Defendants’ products and the alleged inadequacy of the voluntary recall. There are no allegations that Plaintiffs have suffered any physical injuries from the cranksets involved.
- You are a Settlement Class Member entitled to receive benefits under the Settlement if the following Settlement Class definition applies to you: all Persons who purchased, received, were given, and/or owned a Designated Crankset (defined below) in the United States, other than solely for resale purposes. This includes, without limitation, Persons who purchased, received, were given, or owned a bicycle equipped with a Designated Crankset.
- Designated Crankset means any of the following Shimano cranksets manufactured before July 2019: Ultegra FC-6800, Ultegra FC-R8000, Dura-Ace FC-9000, Dura-Ace FC-R9100 and Dura-Ace FC-R9100-P, with any of the following production codes: KF, KG, KH, KI, KJ, KK, KL, LA, LB, LC, LD, LE, LF, LG, LH, LI, LJ, LK, LL, MA, MB, MC, MD, ME, MF, MG, MH, MI, MJ, MK, ML, NA, NB, NC, ND, NE, NF, NG, NH, NI, NJ, NK, NL, OA, OB, OC, OD, OE, OF, OG, OH, OI, OJ, OK, OL, PA, PB, PC, PD, PE, PF, PG, PH, PI, PJ, PK, PL, QA, QB, QC, QD, QE, QF, QG, QH, QI, QJ, QK, QL, RA, RB, RC, RD, RE, and RF.

Photographs of the Designated Cranksets and where to locate the production codes are available at <https://www.cpsc.gov/Recalls/2023/Shimano-Recalls-Cranksets-for-Bicycles-Due-to-Crash-Hazard>.

- If you are a Settlement Class Member, you may submit a Claim Form, with documentation of your reasonable out-of-pocket costs incurred in purchasing a replacement crankset and having it installed on your bicycle, if you replaced your Designated Crankset because it separated, delaminated, or exhibited evidence of delamination or separation. Evidence of delamination may include signs of corrosion and breaking.

Reimbursement is not available if (a) the Designated Crankset was replaced on or after September 21, 2023, or (b) at the time of replacement, the Express Warranty was not expired as to that Designated Crankset. For Ultegra FC-6800 and FC-R8000 Designated Cranksets, the Express Warranty expired two years after the date of original retail purchase. For Dura-Ace FC-9000, R9100, and FC-R9100-P Designated Cranksets, the Express Warranty expired three years after the date of original retail purchase.
